10 - INVESTIGATION:

11 -

12 -

13 - On 10/10/18 at approximately 0500 hours, TCSO dispatch requested a police K9 at 21729

14 - Avenue 196 for a subject under a trailer wanted for a Felony warrant. TCSO advised

15 - that the subject was hiding under the trailer and was not complying with commands to

16 - come out. TCSO requested the use of my police k9 partner Kris at their location.

17 -

18 -

19 - I responded to the requested location and met with TCSO Sgt. Benas who advised me

20 - that they had visual on the wanted subject under the trailer. The wanted subject was

21 - identified as LANGSTON, Joseph. Sgt. Benas advised me that they had just attempted to

22 - use pepper balls on LANGSTON but it was not effective.

23 -

24 -

25 -

26 - I approached the trailer and knelt down and observed where LANGSTON was hiding. I

27 - advised LANGSTON that he needed to come out and if he did not then I would send in my

28 - police K9 and he would be bit. LANGSTON stated he was not coming out and if I sent my

30 - crawl out from under the trailer.

31 -

32 -

33 -

34 -

35 - I walked to my patrol vehicle and retrieved my K9 partner Kris. I returned to the

36 - trailer with with Kris and again gave an announcement. LANGSTON again stated that he

37 - was going to fight the dog. I had my K9 partner Kris on a 15 foot leash and released

38 - him. K9 Kris approached LANGSTON and as soon as he made contact I observed LANGSTON

39 - grab K9 Kris around the his neck area and begin to choke him. I yelled at LANGSTON to

40 - stop fighting my dog. LANGSTON continued to choke K9 Kris. Fearing that LANGSTON

41 - might choke K9 Kris unconscious, I yelled for K9 Kris to return to me at the same

42 - time I pulled on his leash. K9 Kris was unable to return due to LANGSTON choking him.

43 - I yelled for LANGSTON to let go of my dog several times before I was finally able to

44 - pull K9 Kris back to me. LANGSTON was given more orders to come out from underneath

45 - the trailer but he refused.

46 -

47 -

48 -

49 - I again sent my K9 partner Kris on LANGSTON. Once Kris got to LANGSTON he again

50 - grabbed a hold of K9 Kris by the neck and began choking him and pinning his head down

51 - in the dirt. I again called for Kris to return to me and for LANGSTON to let go of my  
52 - dog. LANGSTON was saying for me to call my dog off. I began pulling on K9 Kris leash  
53 - and yelled for him to return. K9 Kris was not able to return due to the hold that  
54 - LANGSTON had on him. I yelled for LANGSTON to let Kris go while I pulled on Kris.  
55 - LANGSTON released his hold on Kris and k9 Kris returned to me.  
56 -  
57 -  
58 -  
59 - I let K9 Kris rest for a brief moment before sending him back in after LANGSTON. When  
60 - I sent K9 Kris in this time, LANGSTON was able to get a hold of K9 Kris' mouth and he  
61 - began to pull his mouth open. From my location it appeared as if LANGSTON was  
62 - attempting to pull K9 Kris mouth apart. I yelled for LANGSTON to let go of my dog.  
63 - LANGSTON did not comply with my commands. I pulled on K9 Kris leash and when I did  
64 - his collar broke free from K9 Kris. I then heard Sgt. Benas tell one of his Deputies  
65 - to deploy his taser on LANGSTON. I advised the Deputies that K9 Kris had broken  
66 - free of his collar and that he was now free.  
67 -  
68 -  
69 -  
70 - I observed as one of the deputies got on his stomach and deployed his taser on  
71 - LANGSTON. Once the taser was deployed he let go of K9 Kris and K9 Kris was able to  
72 - bite one of his arms. I then observed LANGSTON actively punching K9 Kris in the face

73 - while K9 Kris was on the bite. I observed K9 Kris pulling LANGSTON to the south end

74 - of the trailer while LANGSTON was still punching him. I ran over to the south end of

75 - the trailer and I began to call K9 Kris back to me. K9 Kris was still actively biting

76 - and LANGSTON was still punching Kris in the face.

77 -

78 -

79 -

80 -

81 - Once LANGSTON and Kris got close the end of the trailer, I crawled under and was able

82 - to get a hold of K9 Kris and pull him off the bite. LANGSTON was then taken into

83 - custody by TCSO. LANGSTON was then transported to Sierra View District Hospital for

84 - treatment. While at the Hospital, I was able to observed a few bite marks to

85 - LANGSTON's arms. The lacerations were cleaned out by the medical staff and the doctor

86 - advised that only one bite would need stitches. LANGSTON was left in the custody of

87 - TCSO.

88 -

**INVOLVED PERSONNEL:**

Eddie Alcantar, Sergeant, #689

**SUSPECT:**

Joseph LANGSTON, HMA, DOB 10-25-7

**SUMMARY:**

On 10/10/18 at approximately 0500 hours, the Tulare County Sheriff's Department requested a Lindsay PD K9 unit to assist in apprehending a subject with a felony warrant. The suspect, Joseph LANGSTON, was advised to be hiding under a trailer and was refusing to come out. Dispatch advised that LANGSTON had arrived on the property and was threatening family members as well as damaging property at the residence. A records check showed LANGSTON had active felony warrants and prior arrests for resisting arrest with force.

Sgt. Eddie Alcantar was working on shift and responded to 21729 Ave 196, Strathmore to assist TCSO Deputies. Upon arrival, Sgt. Alcantar was advised that deputies had attempted to use a less-lethal Pepperball gun to gain compliance from LANGSTON to surrender, however the Pepperball gun was ineffective. Sgt. Alcantar went to the trailer and ordered LANGSTON to come out or he would deploy a police K9, however LANGSTON refused to comply. Sgt. Alcantar then retrieved his partner Kris and again gave an announcement that the police K9 would be deployed if LANGSTON did not come out. LANGSTON replied that he was not coming out and that he would fight the dog.

After giving LANGSTON several minutes to comply with no effect, Sgt. Alcantar placed his partner on a 15 foot lead and then deployed him under the trailer. LANGSTON grabbed the police K9 by the neck area and began to choke the dog. Sgt. Alcantar began to pull on the K9 lead and call his partner back to him. The K9 was then deployed again towards LANGSTON. LANGSTON again tried to assault the police K9.

Sgt. Alcantar then got under the trailer and ordered Kris to let go of LANGSTON. LANGSTON was taken into custody by TCSO Deputies and transported to Sierra View District Hospital for evaluation. LANGSTON was treated for several puncture marks on his arms by medical staff, refer to attached photos.

**RECOMMENDATIONS:**

Based on the circumstances of the case, I believe the use of force in this incident was within department policy and compliant with case law. LANGSTON had active felony warrants and had prior arrests for violently resisting law enforcement. LANGSTON made threatening statement towards family members at the trailer and other less-lethal options had failed prior to deploying the police K9.

**CASE STATUS:**

Case closed.
